

Dear Members:

The 36th MBA season finished with a first, as near as we can remember TJ Schmidt became the first member to win 3 straight tournaments. We had 80 bowlers this past weekend compete at City Lanes in Michigan City for almost \$7,800 in prize money. We'd like to thank Jay Johnston for sponsoring the event and Ed Bildhauser and staff for hosting us and for catering a very enjoyable banquet following the long day of qualifying. Billy Hendrixson posted an 812 series and Matt Newman, Chris Taube and Dennis Weatherman had a 300s.

The rescheduled Masters will be on May 15th. Anyone who was on the entry list back in January is still on the entry list (with the exception of a few who notified me that they couldn't make the new date). Check-in time is 9:15, we bowl at 10:00 ET. Please be on time since we need to draw for lane assignments.
